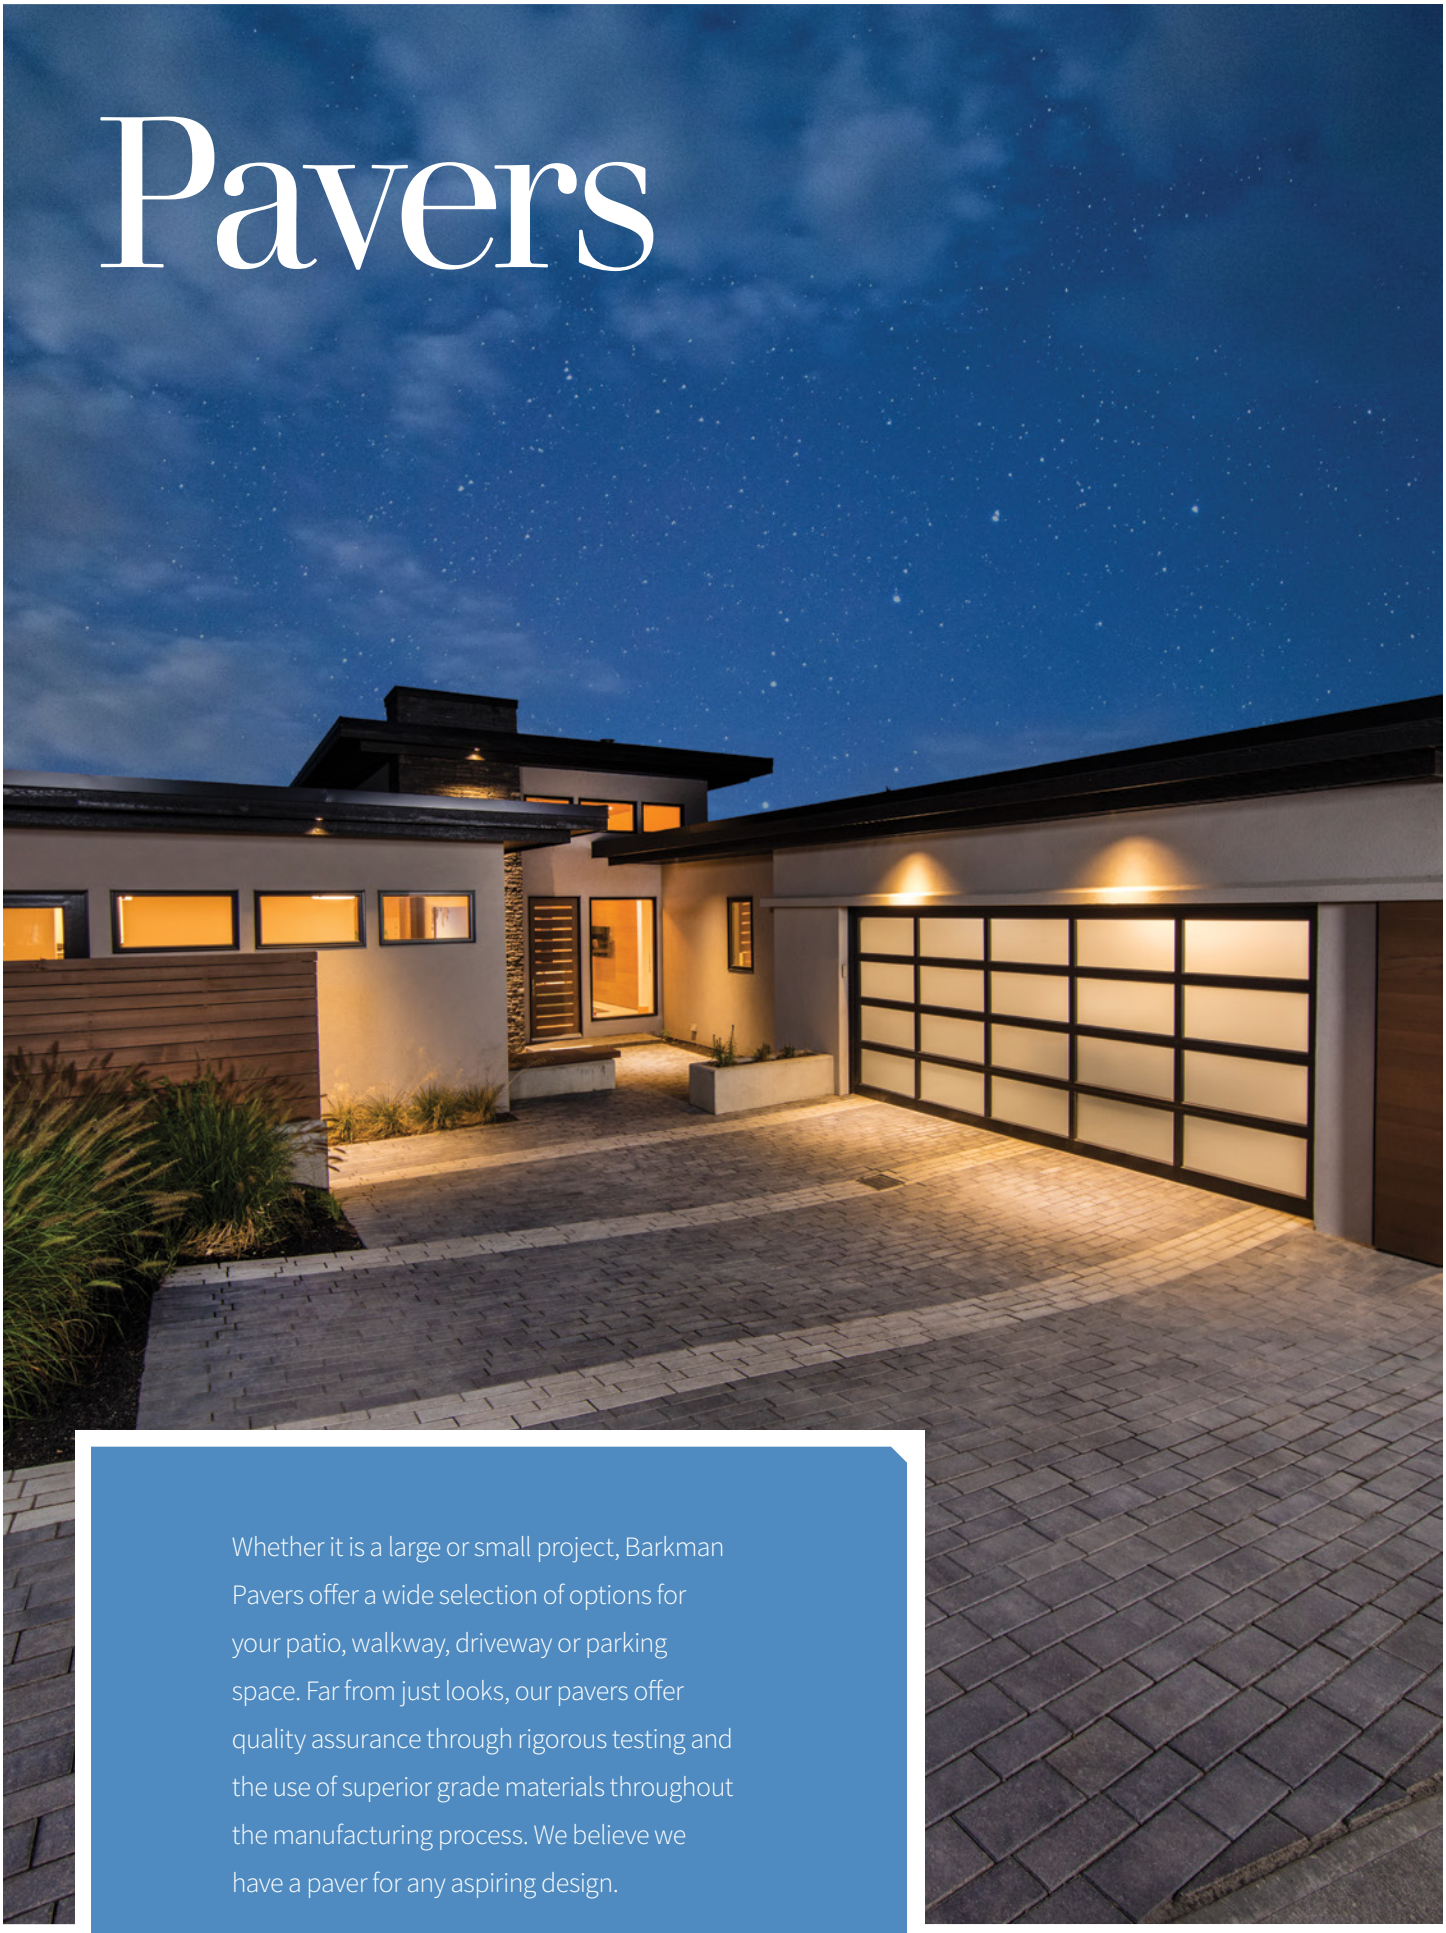
# Pavers



Whether it is a large or small project, Barkman Pavers offer a wide selection of options for your patio, walkway, driveway or parking space. Far from just looks, our pavers offer quality assurance through rigorous testing and the use of superior grade materials throughout the manufacturing process. We believe we have a paver for any aspiring design.

| Sierra Grey | 102739 | 102805 |

**Notes:** Holland pavers can be installed in a running bond or herringbone pattern with border options that can be combined with other pavers. The patterns listed below can also be used on our 8CM Holland paver. To calculate soldier course, multiply lineal footage by .7; this will indicate the square footage of Holland required. To calculate sailor course, multiply lineal footage by .35, this will indicate the square footage of Holland required. A $25.00 returnable pallet fee will be charged to any bundle of Holland. Contact your local Barkman sales representative for further details. Custom order minimum quantity is 1000 sq ft per size.

|---|---|
| Shoreline Slate | 113575 |

**Notes:** Each bundle contains 76 sq. ft. between the eight sizes. Recommended to use **Paver Saver Mat (103164)** between the plate compactor and surface. Boardwalk is compatible with some machine paver laying systems. Boardwalk can also be installed as a permeable paver. Available to order in full pallets only. Recommended to use Polybind Complete G2 Polymeric Sand for commercial applications if not using for permeable. A $25.00 returnable pallet fee will be charged to any bundle of Boardwalk. Custom order minimum quantity is 1000 sq ft. Contact your local Barkman sales representative for further details. Product designed to be installed in a running bond pattern.

# Pavers

## Paver Material Requirements

### 1) EXCAVATION DEPTH

| MATERIAL | FOR PEDESTRIAN TRAFFIC | | FOR LIGHT VEHICULAR TRAFFIC | |
|---|---|---|---|---|
| | MM | IN | MM | IN |
| Pavers | 60 | 2.36 | 60 | 2.36 |
| Sand | 25.4 | 1 | 25.4 | 1 |
| Gravel Base | 102–152 | 4–6 | 203–305 | 8–12 |
| Total Excavation Depth | 178–229 | 7–9 | 279–381 | 11–15 |

Gravel base: Use minimum depths in a well-drained area or undisturbed soil. Use maximum depths in poorly drained area or distributed soil. 0.5" less is required to compensate compacting of pavers. If soil is saturated more than 50% of the time, filter fabric and extra base should be used.

When installing thicker pavers (Broadway 100mm, Boardwalk, Navarro, Holland 8CM, Cobble, Mesa Flagstone) add 0.75" to 1.625" total excavation depth. Note that not all 60mm pavers are suitable for vehicular traffic (see page 39).

### 2) BASE MATERIAL

Granular Base

| WIDTH | | LENGTH | | BASE DEPTH | | | | MATERIAL REQUIRED |
|---|---|---|---|---|---|---|---|---|
| m | x | m | x | m ÷ .3048 | ÷ | .6858 | = | $m^3$ |
| ft | x | ft | x | ft ÷ 12 | ÷ | 27 | = | cu yd |

Bedding Sand

| WIDTH | | LENGTH | | | | MATERIAL REQUIRED |
|---|---|---|---|---|---|---|
| m | x | m | x | .0255 | = | $m^3$ |
| ft | x | ft | x | 0.0031 | = | cu yd |

### 3) EDGING

Edging

| LENGTH OF EDGE | | | | SNAP EDGE |
|---|---|---|---|---|
| m | ÷ | 2.4384 | = | No. of Pieces |
| ft | ÷ | 8 | = | No. of Pieces |

Spikes

| LENGTH OF EDGE | | | | SPIKES |
|---|---|---|---|---|
| m | ÷ | 3.2808 | = | No. of Spikes |
| ft | x | 1 | = | No. of Spikes |

# Slabs

From the rustic wood grains of Bridgewood to the bold colours and textures of Lexington, Barkman offers a wide variety of slabs to suit any architectural style.

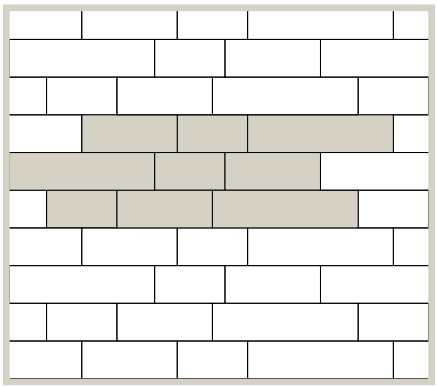
| Cedar Brown | 114278 | 114280 | 114282 |
| Weathered Grey | 114277 | 114279 | 114281 |

**Notes:** Available to order in full pallets. Bridgewood should incorporate a 1/8" to 1/4" gap between each plank. Plank thicknesses will vary; this is intentional to replicate real planks. Can be laid with all three sizes, or a selection of one or two at any size in a running bond pattern. To achieve the most desired look, Bridgewood is intended to be laid in all three sizes with a 1:1:1 ratio. To calculate number of pieces, Area / 5.17 = how many pieces required. A $25.00 returnable pallet fee will be charged to any bundle of Bridgewood.

### PATTERNS



Pieces per 100 sq. ft.

20 pieces: 17 x 10 = 23% of total area
20 pieces: 24 x 10 = 31% of total area
20 pieces: 35 x 10 = 46% of total area

**Notes:** Polished Granular Countertops have an exposed aggregate and smooth finish. *A gas fitter is required to install the BBQ Grill Natural Gas. Colours may vary between various components. Extended Countertops only work in configurations with other Extended Countertops. When ordering the Extended Countertop, determine Left or Right unit by imagining standing behind the bar counter looking out towards the extended countertop section. Example: looking to the right side would entail ordering a right unit Extended Countertop.

# Site Furnishings

Add distinctive flair to your next interior or exterior landscaping project with our wide selection of attractive Site Furnishings and Accessories. We have unlimited shapes and colour combinations to choose from, and our simple, yet classic styling makes our furnishings ideal for almost any application.

**Notes:** 60" and 72" platform available upon request. Contact Barkman for quote. Fractional widths are available; these will be charged to the next foot. It is manufactured in three pieces. The steps and platform are in one section and the sides are separate. Surface of the steps, platform and the sides of brackets are a “broom finish”. Each riser is 7.25" high, first riser is 10.25", tread depth is 11". Holes will need to be drilled to attach rails (fasteners not included). These steps are ordered on a custom basis for Winnipeg only. Angled platforms available. Subject to truck accessibility.

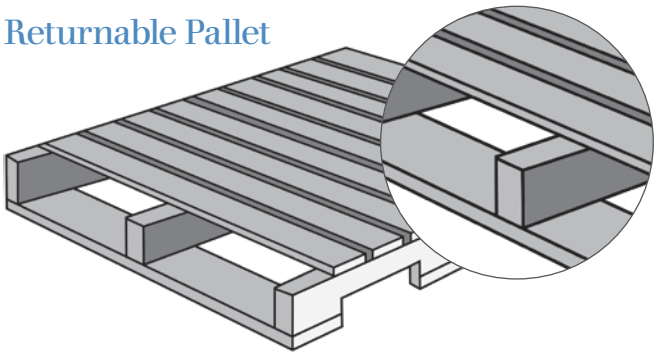
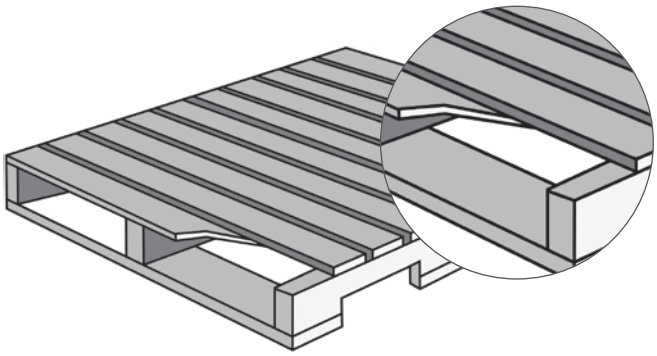
# Pallet Return Guide

## Returnable Pallet

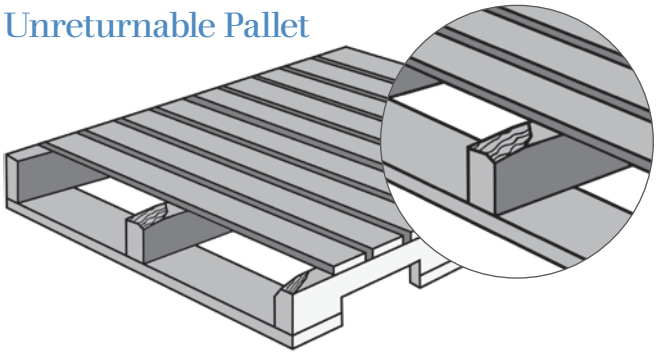


✔ Missing board, but stringers are still intact.

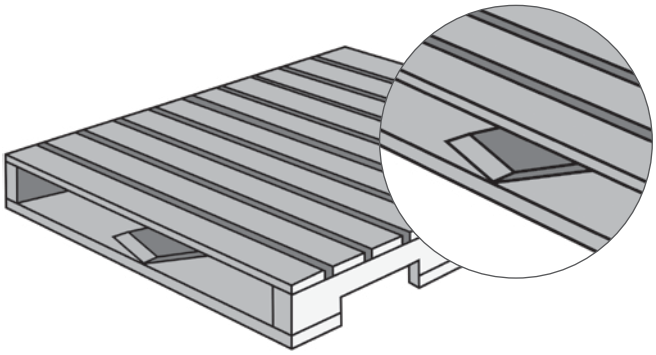


✔ Broken board, but stringers are intact.

## Unreturnable Pallet



✖ Stringers have broken ends.



✖ Stringer is broken.

---

**Notes:** Only pallets with "Barkman" painted on the side will be received by Barkman. Other brand pallets or pallets without the "Barkman" paint will not be received and no credit will be issued. Barkman will only charge for pallets with the "Barkman" name on the side. Barkman will receive and credit in full returnable Barkman pallets that are in acceptable condition. Barkman works diligently to ensure no broken pallets leave our yard to your location. Should an "unacceptable" pallet be brought to your yard by delivery, please document it before being unloaded and inform Barkman immediately. This will ensure Barkman does not improperly invoice you for faulty product. Contact your nearest drop off yard before drop off to ensure the best possible service.

# Important Information

## The Environment

At Barkman we are committed to being good stewards of the planet. Not only are our products excellent choices for people concerned about the environment, we employ “environmental best practices” throughout our manufacturing and operations whenever possible.

## Lifetime Warranty

All Barkman residential products are warranted against manufacturing defects for as long as you own your home. Should your Barkman product experience damage due to a manufacturing defect, Barkman will cheerfully replace the damaged product free of charge (proof of purchase is required). Colour matching cannot be guaranteed and installation labor is not included. This warranty does not include splitting, chipping, cracking or other damage that may be caused by impact, abrasion, overloading or improper installation. Refer to icpi.org for proper installation.

Efflorescence is not a manufacturer's defect and as such, is not covered under Barkman's product warranty.

Stainless Steel products in the Harvest Grove Collection are supplied by Sunstone™ Stainless Steel Grills. Warranty issues on all products supplied by Sunstone™ must be dealt directly with Sunstone™ at: sunstonemetalproducts.com/warranty. Warranty issues on the Napoleon BBQ Grill must be dealt directly with Napoleon Grills at: napoleongrills.com/support/warranty-information

## Quality and Support Pledge

All Barkman products are guaranteed to meet or exceed the Canadian Standards Association (CSA) standards. We use only superior grade materials and employ stringent quality control measures throughout the manufacturing process to ensure a quality product every time. We also support our products with one of the industry’s largest network of dealers and contractors. When you need us, we’ll be there to help.

Important – actual colours may vary. Every effort has been made to ensure accuracy in the colour representations found in our product catalogues. However, due to the natural characteristics of concrete, the manufacturing process and print reproduction, actual colours in the final product may vary from that shown.

## How to Order

Ordering Barkman products is as simple as calling or visiting one of our many dealers or contractors. Please be ready to specify product style and colour choice if required.

If working directly with a contractor, please be sure to specify Barkman products to ensure Barkman quality. For Winnipeg customers requiring steps, please contact our Winnipeg office directly.

## Installation and Project Estimation Support

Barkman provides easy-to-read installation guides that contain simple step-by-step instructions to help make installation a snap. Visit BarkmanConcrete.com to download a copy. Our website also features a handy product calculator that allows you to easily calculate the quantity of Barkman material and accessories.
