

## Premium 400

Rejuvenate your mind and body with the Premium 400 Spa. With 20 stainless steel hydrotherapy jets, ozone and a 2 HPR 2 speed pump, this premium packaged spa delivers optimum performance with an outstanding value, allowing you to melt your stress away as you relax in comforting warmth. Take relaxation to a whole new level with the patented multi-color LED backlit cascading waterfall with 9 colorful light settings. The spa can be converted from 120v 1kW to 240v 4kW with the installation of a 30 or 50 Amp 240v electrical service. The Easy Klean Filtration System provides 100% water filtration for year-round enjoyment. With simple setup you'll be able to relax and enjoy the Premium 400 — the perfect addition to your backyard.
